Internationally acclaimed artist and writer Harland Miller presents 'XXX', a new exhibition showcasing paintings and works on paper from his renowned 'Letter Paintings' series.

Inspired by his upbringing in 1970s Yorkshire and an itinerant lifestyle in New York, New Orleans, Berlin and Paris during the 1980s and '90s, Miller creates colourful and graphically vernacular works that convey his love of popular language and attest to his enduring engagement with its narrative, aural and typographical possibilities.
